BAUTECH FUTURA® are floorings for climatic, minimalist interiors.

CREATIVO BAUFLOOR®
Your home is a refuge where you take a break from the tumult of everyday life. Turn it into a cosy place with BAUTECH FUTURA® floors.
Your home is a refuge where you take a break from the tumult of everyday life. Turn it into a cozy place with BAUTECH FUTURA® floors.
The 21st century style means ascetic and austere interiors. Raw concrete emphasises their character.

**CREATIVO WALL BAUFLOOR®** is a creative microcement compound designed for manual formation of textures on walls and architectural details.

Design an austere wall with a unique texture. Stylish cavities and pittings will let you create a unique interior.
